Moonwalk Energy Facility Landowner Virtual Presentation & Project Update

November 12 at 7:00 PM (EST)

Liberty Power

Moonwalk Energy Facility Landowner Presentation

Please join us for our online virtual presentation as we launch our proposed Moonwalk Energy Facility project in your community. We are committed to working with the community to gather and respond to stakeholder input. There will be a short presentation about Liberty Power, the Moonwalk Energy Facility, and allow you the opportunity to provide feedback and/or ask questions. Members of our team will be in the area following the presentation and look forward to meeting with interested stakeholders.

Kindly RSVP your attendance by email to moonwalkenergyfacility@algonquinpower.com. RSVP is **not** required to join the meeting. Meeting details can also be found at **Moonwalkenergyfacility.com** or by phoning **1-833-631-1059**

Alternatively,

ABOUT LIBERTY POWER

Liberty Power is committed to generating clean, renewable energy. A subsidiary of Algonquin Power & Utilities Corp. (TSX: AQN), Liberty Power (formerly known as Algonquin Power Co), is a non-regulated generation business that owns or has interests in a portfolio of North American based contracted wind, solar, hydroelectric, and thermal generating facilities representing approximately 1.7 GW of installed capacity. Liberty Power is the long term owner of one operational wind project in Michigan, Deerfield Wind Farm (149MW - Huron Township).
